

Boğaziçi  
**MATH GRAD SEMINAR**

***p*-adic geometry**

**Bahri Fatih Barbaros**  
**Boğaziçi University**

**Abstract:**

My talk will be about adic and perfectoid spaces, diamonds and the Fargues-Fontaine Curve which plays a key role in geometrization of the local Langlands correspondence.

**Date :** Monday, November 11, 2024

**Time:** 13:30

**Place:** TB130, South Campus, Boğaziçi University
